

Habitare Homes Limited: Complaints Policy

Version:	4.1
Author:	Operations Director
Policy Owner:	Board
Date adopted:	June 2026
Date of next review:	June 2027
Approved by:	Board

1 | Introduction

- 1.1. Habitare Homes Limited (“Habitare”) is committed to high standards of customer service. Unfortunately, there may be occasions when we do not meet the high standards we set for ourselves. We prioritise the resolution of complaints and have a culture of learning from complaints and the issues raised. We will try wherever possible to resolve a complaint to the customer’s satisfaction and to ensure that complaints are handled effectively.

2 | Scope

- 2.1. This policy applies to all residents of Habitare who have a legal relationship with us i.e. are an applicant, tenant, leaseholder, or licensee.
- 2.2. Where a Managing Agent is engaged to manage properties on behalf of Habitare, the Managing Agent will apply all aspects of this Complaints Policy on our behalf and ensure their staff are trained on the policy. The Managing Agent must handle complaints in line with the Housing Ombudsman's Complaint Handling Code. The Managing Agents will consult Habitare on all significant activities undertaken in fulfilment of the policy where required.
- 2.3. The following Managing Agents handle complaints on behalf of Habitare:
- Raven Housing Trust
 - Amplius Living
 - Touchstone Property Management
- 2.4. Residents should raise their complaint directly with the relevant Managing Agent using the contact channels set out in Appendix 1 (and available on our website: <https://habitarehomes.co.uk> or by emailing Habitare Homes at Complaints@habitarehomes.co.uk). As the Managing Agent is responsible for the day-to-day management of your property, any complaints received by Habitare will be forwarded to them to respond to, on our behalf. All complaints will be handled within

the timescales referred to in this policy, notwithstanding that the complaint has been raised with us in the first instance.

- 2.5. Regardless of which Managing Agent handles a complaint, all complaints will be handled in line with this Complaints Policy and the Housing Ombudsman's Complaint Handling Code not under the Managing Agent's own policy.
- 2.6. Escalations to Stage 2 should be made to the relevant Managing Agent using the same contact channels listed above, or to Habitare Homes at Complaints@habitarehomes.co.uk, who will forward the request to the relevant Managing Agent, and the Managing Agent will handle the Stage 2 review in line with this policy.
- 2.7. The words “staff”, “we” and “us” in this policy refer to the staff of the Managing Agent with regard to all operational matters.

3 | Purpose

- 3.1. This policy sets out our approach to complaints and resolving any issues raised. We have a collaborative and co-operative approach towards resolving complaints and take collective responsibility for any shortfalls identified. We will always act within the professional standards for engaging with complaints as set by any relevant professional body.
- 3.2. We aim to resolve your complaint as quickly as possible. Making a complaint will not result in any adverse changes to the services that we provide you. This policy will be jointly implemented with our Managing Agents.

4 | Definitions

- 4.1. Board: The Board of Directors of Habitare.
- 4.2. Board Member responsible for complaints (Member Responsible for Complaints or MRC): As per the Housing Ombudsman Code, Habitare has a designated Board lead on complaints (The Member Responsible for Complaints). Their details are published on the complaints page of our website. The MRC is responsible for ensuring the governing body receives regular information on complaints that provides insight on complaint handling performance.
- 4.3. Complainant/You/Your: Anybody with a legal relationship to us (i.e. applicant, tenant, leaseholder or licensee), or a person acting on their behalf, can make a complaint about the service we or anyone working for us (including e.g. Managing Agents or contractors) provide. All references to “you” and “your” throughout this policy also apply to a resident's representative or advocate acting on their behalf. We will require your written permission before corresponding with any third party.
- 4.4. Complaint: We use the Housing Ombudsman definition and define a complaint as “an expression of dissatisfaction, however made, about the standard of service, actions or

lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents". An expression of dissatisfaction does not need to include the word 'complaint' to be handled in line with this policy.

- 4.5. Complaint Handling Code: We are committed to meeting the requirements of the Housing Ombudsman's Complaint Handling Code and undertake an annual self-assessment of compliance. This is reviewed by the Board and is published on our website.
- 4.6. Complaints Officer: As per the Housing Ombudsman Code, the Managing Agent will act as the Complaints Officer, and they will:
- Act sensitively and fairly;
 - Be trained to receive complaints and deal with distressed and upset residents;
 - Have access to staff at all levels to facilitate quick resolution of complaints; and
 - Have the authority and autonomy to act to resolve disputes quickly and fairly.
- 4.7. Housing Ombudsman: a service provided to all residents of registered providers of Social Housing which can assist residents throughout the life of a complaint and also be used if complaints should be escalated.
- 4.8. Service request: A service request is a request from a resident requiring action to be taken to put something right. Service requests will be recorded, monitored and reviewed regularly. A complaint can be raised even if the handling of the service request remains ongoing. We will not stop our efforts to address the service request if a complaint is raised.

5 | Relevant Legislation

- 5.1. This policy should be read in conjunction with the legal and regulatory documents listed below:
- Housing Act 1996 (schedule 2)
 - Data Protection Act 2018
 - Localism Act 2011
 - Social Housing Regulation Act 2023
 - Housing Ombudsman Scheme and 2024 Code
 - Transparency, Influence and Accountability Standard
 - Equality Act 2010
- 5.2. We have processes in place to accommodate an individual's needs regarding access to an appropriate channel for raising a complaint.
- 5.3. We will keep a record of any reasonable adjustments agreed, as well as a record of any disabilities a resident has disclosed and keep these under active review.

6 | Our responsibility

- 6.1. We have a 2 stage complaints resolution process. Where something has gone wrong we will acknowledge this and set out the actions we have already taken, or intend to take, to put things right.
- 6.2. You can raise a complaint with us at any time. We will give you a choice about whether you wish to make a complaint. You can raise a complaint in a number of ways, including online, by email, by phone or by post by using the Managing Agent contact details set out in Appendix 1.
- 6.3. Stage 1:
 - 6.3.1. We will acknowledge, define and log your complaint within 5 working days. If any aspect of your complaint is unclear, we will contact you to seek clarification.
 - 6.3.2. In our acknowledgement we will set out:
 - Our understanding of your complaint;
 - The outcomes you are seeking; and
 - Which aspects of the complaint we are, and are not, responsible for.
 - 6.3.3. We will keep a record of all correspondence with you, including the original complaint and date received, correspondence with other parties, and any relevant supporting documentation such as reports or surveys.
 - 6.3.4. We will seek to resolve your complaint, where possible by email, phone or face-to-face meeting, within the timescales set out below. Any solution agreed will be included in our Stage 1 response. Where we have been unable to clarify issues or obtain information from you, we will still issue a Stage 1 response based on the information available to us, within the timescales set out below. We will inform you of your right to escalate the complaint to Stage 2 if you remain dissatisfied.
 - 6.3.5. We will consider the individual circumstances of each complaint and will investigate your complaint and give you a full written response within 10 working days of the complaint being acknowledged. Our response will explain the outcome of our investigation together with any actions that we agree with you to resolve the complaint. If our investigation will take longer due to the complexity of the complaint, we will let you know, explain the reasons for the delay, and provide our expected timescale for response. Any extension will be for no more than 10 working days without good reason, and we will agree update intervals to ensure you are regularly informed of progress.
 - 6.3.6. A complaint response will be provided when the answer to your complaint is known, not when outstanding actions are completed. Outstanding actions will still be tracked and actioned promptly with appropriate updates provided to you. Where you raise

additional complaints during the investigation, these will be incorporated into the Stage 1 response if they are related and the response has not been issued. Where the response has been issued, the new issues are unrelated, or incorporating them would unreasonably delay the response, the new issues will be logged as a new complaint.

- 6.3.7. Our Stage 1 response will confirm the following in writing, the complaint stage, the complaint definition, the decision on the complaint, the reasons for any decisions made, the details of any remedy offered to put things right, details of any outstanding actions, and details of how to escalate the matter to Stage 2 if you are not satisfied with the response.

6.4. Stage 2

- 6.4.1. If you are unhappy with the decision in relation to your Stage 1 complaint you can ask for your complaint to be escalated to Stage 2. You do not need to explain your reasons for requesting a Stage 2 review. A request for a Stage 2 review should be made within 28 calendar days of the Stage 1 response. We may, at our discretion, accept a request for escalation made outside of this timeframe, for example where there are good reasons for the delay.
- 6.4.2. We will acknowledge, define and log your complaint within 5 working days. If any aspect of your complaint is unclear, we will contact you to seek clarification.
- 6.4.3. In our acknowledgement we will set out:
- Our understanding of your complaint;
 - The outcomes you are seeking; and
 - Which aspects of the complaint we are, and are not, responsible for.
- 6.4.4. The complaint will be handled by an independent reviewer, who was not involved in the Stage 1 response. We will send you a formal written response within 20 working days of the Stage 2 complaint being acknowledged. This response will reconsider the individual circumstances of each complaint and explain the outcome of our investigation together with any actions that we agree with you to resolve the complaint.
- 6.4.5. In exceptional circumstances, the timescales for responding may need to be changed. Any extension must be no more than 20 working days without good reason, and the reason(s) will be clearly explained to you. When informing you of an extension, we will provide contact details for the Housing Ombudsman. If our

investigation will take longer, we will let you know and agree update intervals to ensure you are regularly informed of progress.

- 6.4.6. A complaint response will be provided when the answer to the complaint is known, not when outstanding actions are completed. Outstanding actions will still be tracked and actioned promptly with appropriate updates provided to you.
- 6.4.7. Our Stage 2 response will confirm the following in writing, the complaint stage, the complaint definition, the decision on the complaint, the reasons for any decisions made, the details of any remedy offered to put things right, details of any outstanding actions, and details of how to escalate the matter to the Housing Ombudsman if you remain dissatisfied.
- 6.4.8. Stage 2 is Habitare's final response and will involve all suitable staff members needed to issue such a response.
- 6.5. The following are generally not considered as complaints and will be dealt with via alternative mechanisms. If we decide not to accept a complaint, we will provide you with an explanation setting out the reasons why the matter is not suitable for the complaints process and your right to take that decision to the Housing Ombudsman:
 - a. Matters previously considered under this complaints policy where a matter has already been fully investigated and responded to under this policy;
 - b. Legal action – if we are involved in legal action with you then we are unable to handle complaints which your or our solicitors are dealing with at the same time; This is defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at court;
 - c. Insurance claims – these are dealt with through our insurers. Complaints about our handling of insurance claims will be accepted as a complaint under this policy;
 - d. Services which are not our responsibility – e.g. local authority decisions about nominations or housing benefit;
 - e. Service charge complaints – we manage these through our Rent and Service Charge Policy. Complaints about our handling of service charge matters will be accepted as a complaint under this policy;
 - f. Anti-social behaviour (ASB) – complaints regarding the behaviour of our residents should be reported direct to the housing manager for investigation under our ASB policy. Complaints about our handling of ASB matters will be accepted as a complaint under this policy;

- g. Survey responses – we will record this and use it for the purposes of continuous improvement when the policy or procedure is next reviewed. Where we ask for feedback through surveys, we will provide details of how you can make a complaint if you wish to;
- h. Matters raised out of time – you can complain about any services we have provided within 12 months of you becoming aware of the issue. We may accept older complaints at our discretion in extenuating circumstances, for example if a complaint is delayed due to ill health.

6.6. Learning from complaints

- 6.6.1. We aim to learn from complaints and use this information to improve how we work. We will look beyond the circumstances of individual complaints and consider whether service improvements can be made as a result of any learning.
- 6.6.2. When something changes as a result of a complaint, we will inform our residents of what has been changed and also publish information on our website about how we are using complaints to improve services.
- 6.6.3. We will publish our self-assessment against the Housing Ombudsman's Code annually on our website alongside an annual complaints performance and service improvement report, and the Board's response to the self-assessment.
- 6.6.4. The Board will receive quarterly reports about the volumes of complaints received, at which stage they were resolved, and any trends or themes within the complaints, alongside complaint handling performance.

6.7. Exceptional Circumstances

- 6.7.1. If we are unable to comply with the Complaint Handling Code due to exceptional circumstances, such as a cyber incident, we will; inform the Housing Ombudsman; provide information to residents who may be affected; publish this on our website; and provide a timescale for returning to compliance with the Complaint Handling Code.

7 | Housing Ombudsman

- 7.1. At any stage during your complaint, you can approach the Housing Ombudsman for independent advice around your complaint. Once we have exhausted our internal complaints process, you can contact the Housing Ombudsman for further investigation should you remain unhappy.
- 7.2. In most cases the Housing Ombudsman will only accept your complaint if:

- a. You hold a legal relationship with Habitare (i.e. applicant, tenant, leaseholder or licensee);
- b. Are an advocate for an applicant, tenant, leaseholder or licensee;
- c. Live in one of our homes (and you give your consent); or

AND

- d. You have followed both stages of Habitare's complaints process i.e. you made a complaint and then asked us to review it.

7.3. Details of the Housing Ombudsman Service is available on their website:

<http://www.housing-ombudsman.org.uk>

8 | Compensation

- 8.1. Where we uphold a complaint, we may in some circumstances and where we consider it to be appropriate, offer a discretionary compensation payment.
- 8.2. The payment offered will be proportionate to the circumstances of the failure that led to the complaint and to any shortfalls in service and the impact these have had on you. We specifically consider:
 - a. actual, proven financial loss sustained as a direct result of the maladministration or service failure, and/or
 - b. avoidable inconvenience, distress, detriment or other unfair impact of the maladministration or service failure.
- 8.3. We may also consider the following factors when deciding the overall amount:
 - a. the duration of any avoidable distress or inconvenience
 - b. the seriousness of any other unfair impact
 - c. actions by the complainant which either mitigated or contributed to actual financial loss, distress, inconvenience or unfair impact
 - d. the levels of compensation we may have paid for similar cases and the guidance issued by the Housing Ombudsman on appropriate remedies.
- 8.4. Any remedy offered will clearly set out what will happen and by when, in agreement with you where appropriate. Any remedy proposed will be followed through to completion.

9 | Publicising this Policy

- 9.1. This Complaints Policy will be published on the Habitare Homes website and made available to residents on request. We will also provide information about this policy as part of our resident welcome packs and any relevant resident communications. We will include information about the Housing Ombudsman and the Complaint Handling Code in our published complaints information. The policy will be reviewed and updated as part of our regular governance review cycle, and any updated version will be published promptly.

10 | Policy Monitoring and Performance

- 10.1. The Board is responsible for ensuring this policy is kept up to date, implemented within the organisation and monitored and evaluated. Performance on complaints will be reported to the Board quarterly, with an annual complaints' report at year end. This will be published on our website along with a copy of our self-assessment against the Housing Ombudsman's code.
- 10.2. This policy will be reviewed every year or when there is a change in circumstances, in work practices or the introduction of new legislation.
